The City of Dacono is saddened to report the loss of Nancy Rich, the City of Dacono deputy city clerk.

Nancy peacefully passed away on March 17. Nancy was a long-time Dacono resident and began her employment with the City of Dacono in 2002. Nancy loved working with the public and was a friendly face who greeted everyone at City Hall with a smile or candy.

City to Update Website & Logo

The City of Dacono is getting ready to relaunch the CityofDacono.com website in April. While most popular features will not change, the graphics and imagery will have a bold, fresh new look to represent Dacono as a growing and vibrant community.

Almost Free Building Permit Month Begins in June!

It's time to head to the home improvement store and kick-off that summer project. Don't forget that during the month of June, the City of Dacono is offering "Almost Free Building Permits." In an effort to encourage residents of Dacono to upgrade and improve their residential properties, the City Council will temporarily reduce the amount of certain fees associated with issuing residential building permits during the entire month of June. This includes application fees, plan review, and inspection fees. The fee reduction applies towards the alteration, repair, or improvement of existing residential structures and the erection, alteration, repair or improvement of structures associated with existing homes, such as garages, additions, carports, sheds and fences. Payment of use tax still applies. All necessary permits must be obtained prior to beginning your project. As always, any work completed without a building permit is subject to double permit fees. Work authorized under the permit must be completed by no later than September 30, 2017, otherwise all applicable fees, including the full building permit fee and plan review fees and inspection fees, shall be paid. Contact Donna Case at (303) 833-2317 ext.128 or go to www.CityofDacono.com for more information.

Carbon Valley Veterans Memorial Now Accepting Names

The Wall of Honor recognizes Carbon Valley Veterans who have served during a time of conflict or non-conflict, and been honorably discharged. Veterans or their families seeking to have their name placed on the Wall of Honor should obtain an application from the City of Dacono. Only the veteran's name, tenure of service and military branch will be on the wall. The form is available online at www.cityofdacono.com or at City Hall. A copy of the DD-214 form, Certificate of Release or Discharge From Active Duty, is required with the submittal to verify military service. For assistance locating these documents, go to www.archives.gov. All documentation will be verified. There is no cost to have a Veteran's name placed on the Wall of Honor for Dacono Veterans or deceased Veterans. Carbon Valley-area Veterans will be charged a \$50 engraving fee. There will also be opportunities to help support the project through donor tiles on the seat walls. Pricing and sizing options will be available soon. The deadline to submit a name for the Wall of Honor is May 4, 2017. The tentative dedication of the Carbon Valley Veterans Memorial is around Memorial Day weekend. Details at www.CityofDacono.com.
